NOTICE
WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United State (Title 17 United States Code) governs the making of photocopies or other reproduction of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

NOTE: All requests should comply with copyright law (17 U.S.C.). The library reserves the right to return a request if, in its judgment, fulfillment would involve violation of copyright law.
